### **DIVORCED/SEPARATED FAMILIES**

We strive to, but cannot always act as a mediator between parents under contentious circumstances. We also strive to avoid being "side-barred" by parents, lawyers or other professionals; and we hope that is respected. Both parents are always welcome, explicitly and implicitly, at all visits; indeed that is preferred. Parents are responsible for ensuring that coordination of each of their own schedules allows for both to be present. This of course requires a degree of cooperation, that if absent, will preclude the most optimal evaluation. If communication challenges exist which preclude that, it is unfortunate, especially for the child. Melmed Center will work with both parents. Therefore, it is required that you complete both parents information above unless the court dictates otherwise. Furthermore, payment must be arranged by the time of the visit. We accept payment in advance, but require it from the accompanying adult at the time of the appointment.
